Hengdian Group DMEGC Magnetics Co., Ltd.

Material Safety Data Sheet

1. Manufacturer or Supplier Information:

Chemical name: Fe2O3.SrCO3 Productype: Magnet

Manufacturer or supplier name: Hedian Group Drage Magnetics Co., Ltd.

Address: Zhejiang Dongyang Hengdian Industrial Zone

Contact Person: Zhanghaoqi Emergency shone No.: 0579-86552627

Date: 2019.01.01 E-Mail: quality.yc@dmegc.com.cn

2. Content List:

Content	Weight percent	Toxicity	CAS No.	Reference Data
Fe ₂ O ₃ ,	83-86%	NO	1309-37-1	
SrCO ₃	13-16%	NO	1633-05-2	
CaCO3	0.2-0.8%	NO	471-34-1	
SiO2	0.2-0.8%	NO	7631-86-9	
Al2O3	0.2-0.8%	NO	1344-28-1	

3 Hazard Information

Health Hazard: None Inhaling/Swallowing: N/A

Eyes: Clean with water or rub out with paper tissue if magnet crumbs splash into the eyes

Skin: Not harmful

Others:

Environmental Hazard: None

Exceptional Hazard: None

4、First Aid Procedures

Eyes: Clean with water or rub out with paper tissue

Inhaling/Swallowing: N/A

5. Fire Emergency Procedures

Extinguishing Material: Powder or Foam extinguisher

Matters needing attention: N/A Specific procedure: N/A

Special Protection Equipment for Firefighters: N/A

6. Leakage Emergency Procedures

Matters needing attention for individuals: N/A Environmental matters needing attention: N/A

Emergency procedures: N/A

7. Handling and Storage

Handling: Brittle, handling with care Storage: Kept away from moisture

Shelf life: Long-term

Hengdian Group DMEGC Magnetics Co., Ltd.

8. Contact Control/Personal Protection					
Maximum allowable concentration: N/A	Engineering Control: N/A				
Personal protection equipment: N/A	Others: N/A				
Respiratory system protection: N/A					
Eye protection: N/A					
Body protection: N/A					
Hand protection: attention to scraps pierce					
9. Physical and Chemical properties	,				
State: V Solid Liquid Gas	Shape: rings, bars, arcs				
Color: Black	Odor: odorless				
PH value:7-8	Melting point or freezing point: N/A Boiling point: N/A				
Ignition point: N/A					
Explosion limit: N/A	Density: ≥4.8g/cm3				
Solubility: Water insoluble	Steam pressure: N/A Steam density: N/A				
Other properties: N/A					
10. Stability and Reactivity					
Stability: stable					
Articles required to be kept away: mobile phone, computer etc. after magnetization					
Relative conditions: N/A					
11. Toxicology information					
Acute poisoning: N/A					
Chronic poisoning: N/A					
Others: N/A					
12. Ecology information					
Potential influence on environment: N/A					
13、Waste disposal					
Waste type: □Hazardous or toxic waste	□Industrial solid waste				
Waste disposal method: recyclable					
Matters needing attention: N/A					
14、Transportation information (packing information included)					
Hazardous/Toxic goods serial No.: N/A					
Package marking: Handle with care, brittle articles Packing material: corrugated cardboard					
Packing container: cartons, pallets					
International delivery method: by sea/air Domestic delivery method: by truck					
Matters needing attention: handling with care, protection from moisture and shock					
Transport fashion: It is suitable for ocean and air transfer and no danger					
Our magnets comply with the IMO & IMDG regulations and meets criteria of IATA Dangerous Goods Regulation					
59th edition PI953 as Non-magnetized material.					
15 Relating legal information					
Relating regulations or standards: N/A					
16 Other information
